QUOTATION ENQUIRY

Sub: QUOTATION FOR EQUIPMENTS FOR CIVIL DEPARTMENT.

(Due Date:- 13 /12/2018)

Sealed Quotations are from eligible and interested manufacturers/ dealers/distributors for the following items on the terms and conditions mentioned below.

P.SN	Name of the item with specification	Quantity required	Total Estimated cost in Rs.	DEPT
1	Rockwell cum Brinell hardness tester:- Rockwell cum Brinell hardness tester , Capacity 250 Kg, test load of 60,100,150 kg and 187.5 kg. Giving direct reading for HR – A,B,C. Indentation ball diameter 2.5mm , 5mm, 1/16 inch along with standard diamond indentor, Brinell Microscope, Allen spanner & all standard accessories, standard test blocks of known hardness.The Machine shall confirmed to IS 1586-2000 (Reaffirmed – 2006)	1	150000	APM
15	Core Cutting Machine :- Core Cutting Machine, diesel engine powered (Grieves Make or equivalent) has been designed specifically for the purpose of cutting core samples from Asphalt, concrete & reinforced structure of roads, airport runways, bridges etc. The Machine comprises of two vertical support columns which carry the drill head/ engine assembly accurately with the help of screwed spindles. The Core Cutting Machine will be supplied with water tank for coolant to the cutting bit. The machine is portable & has towing arrangement with pneumatic wheels for easy movement. The core cutting machine complete as above supplied with Set of Diamond Core Cutting Bit (s) & Barrel (s). [Engine-diesel opearted 7.2 HP capacity, Cutting Capacity-100mm Dia x 200mm Ht & 150mm Dia x 300mm Ht	1	150000	CIVIL
16	Bitumen Penetration Test Apparatus as per IS 1203:- Wavelength range: 190nm – 1100nm Baselines flatness : Within +/- 0.002 Abs except shock noise Light Source : 50W halogen lamp Monochromator: aberration corrected concave blazed holographic grating is used. Detector : SiPD Silicon Photodiode. Sample Compartment : Inside dimension: 110 Wx 2300X105h(mm) Beam seferation :100mm. Maximum allowable path length for cell : 100mm Beam size 1W x 10 M (mm) at the center Ambient temperture : 15-35 Oc. Ambient humidity: 45% - 80% (less than 70% at temp 30degC) Power requirement: AC 100 V , 120V, 230V, 240V(opticalbench) Dimension: Photometer unit: 550W x 470D x 200H (mm) Weight : Photometer unit : 17kg. Basic measurement modes : Spectrum, Kinetics File Function : Open / Save / Save as ASCII Export / Import (Spectrum Only) Data processing : Arithmetic calculation of spectrum and constant value, Aritmatic calclation between two spectra smoothing, Display : Data output to printer (free formatting) Direct reading of wavelength and photometric values using cursor, exapansion and expression of scale by numeric value setting or mouse	1	150000	CIVIL

TERMS AND CONDITIONS

- The bid/quotation should be strictly submitted in two bid format.
- The first envelope will contain Technical specifications of the product, technical literature/ leaflet and other documents mentioned below:-
 - Covering Letter for tender on the company letter head mentioning official address, Contact No, e-mail address and website address (if available)
 - Registration certificate of firm.
 - GST registration certificate/ Number.
 - GST Clearance Certificate - GST Challan – filled up to July 018.
 - Technical specification literature / leaflet of the make and model no of equipment quoted.
 - Undertaking of the bidder for Quality and after sales service & support and warranty clause for equipment quoted .
 - Proof Authorization/ Distributorship certificate from manufacturer. Proof of permission to manufacture the equipment/ item mentioned in the quotation from competent authorities along with above all mentioned documents are to be submitted, if the bidder is not a manufacturer.
 - Original equipment manufacture certificate if the bidder is manufacturer.Additional document may also be asked by undersigned for confirming the details.
